## **TEMPORARY Dancer Registration Card**

Dancers who have completed their section and wish to advance to the next section, should present their Original Card to the Organiser, who will fill in the dancer's details on the Temporary Card.

A Novice Dancer, advancing to Intermediate, will present their Novice Card at their first Intermediate competition, whereupon they will receive a dated Temporary Card.

The Dancer may use the Temporary Card for 14 days from the date of issue and must return the Temporary Card, the Original Card to the relevant Dancer Registrar along with the appropriate application form, fee and photographs etc.

The Organiser should keep a record of the Temporary Card issued and return the "tear off" slip to the relevant State/Regional Dancer Registrar within 14 days from the date of issue.

Any stamp gained during the 14 days, must be registered on the Temporary Card.
